**Attachments:** 2018-R7A Accept Assistance to FF Grant for Compressor Equipment.docx

2018-R72

I need to request first reading passage of the attached proposed legislation. This legislation is to accept an Assistance to Firefighters Grant (AFG) from FEMA for the purchase of a new breathing air compressor. The breathing air compressor is the equipment used to refill the firefighters' self-contained breathing apparatus. As with our other previous AFG grants, this is a reimbursement grant and the City's portion of the grant is 10%. First reading passage is necessary because the rules of the grant require acceptance within 30 days of notification of the award. Please let me know if you have any questions or need additional information.

Thank you,

**Jeff Funai**
