Subject: Settlement Fund Advisory Committee

Members of Council:

The City of Green Parks and Recreation Board passed a resolution at our May 8, 2019 meeting concerning the Settlement Fund Advisory Committee being established by Council. Specifically, the members of the Parks and Recreation Board request that one of the spots on the Committee be reserved for, and filled by, a member of the Board. The funds at issue were derived from the taking of property dedicated to the parks, and the pipeline directly impacts the parks, thus we as a Board feel that our input would be relevant and valuable to the Committee.

We appreciate your consideration.

Very truly yours,
