

Recommended Water Testing for Benchmarking Pipeline Potential Impacts

Basic Schedule – Recommended for any Well

TDS, Hardness, Nitrate/Nitrite, Iron, Manganese, Total Coliform/eColi

Total EPA Certified Testing for Basic Schedule - \$170.00

Moderate Schedule – Recommended for any Open Cut Trenching

**TDS, Arsenic, Conductivity, Sodium, Chloride, Alkalinity, Hardness,
Nitrate/Nitrite, Turbidity, Sulfate, Iron, Manganese, Total Coliform/eColi**

Total EPA Certified Testing for Moderate Schedule - \$250.00

Complex Schedule – Recommended for HDD Risks

**TDS, Arsenic, Conductivity, Sodium, Chloride, Alkalinity, Hardness,
Nitrate/Nitrite, Turbidity, Sulfate, Iron, Manganese, VOC's, Total
Coliform/eColi**

Total EPA Certified Testing for Complex Schedule - \$355.00
