Subject: 2nd Reading Passage 2018-R26

Diane,

Since I will not be here next week, I am requesting that a request be submitted to City Council to approve 2018-R26 at 2nd reading. This legislation is authorizing the application for grant funds to OECCC for the materials to construct a trail at Nimisila Reservoir from Main 2 parking (Nimisila Rd) to Killinger Rd.

Let me know if you have any questions.
