Re: Resolution 2018-R30 , Chenoweth Crossing Planned Development

I am requesting first reading passage on the approval of the final plat of the Chenoweth Crossing Planned Development.

The reason for the request is financial.....our insurance premiums will decrease \$500 per month , once the conversion to a planned development is complete.

Sincerely,

A handwritten signature in black ink that reads "Don Read". The signature is written in a cursive style with a large, looped "D" and "R".

Don Read

President , Chenoweth Crossing Condominium Assoc.
