What can we do for you?: Yesterday at 1630 hrs traveling north on arlington rd north of boettler a talegater even after a speed of 50mph a 2 lane highway no place to pull over unless like this talegater after a happy birthday he wants me to pull over to confront me. This is a every day occurrence and it seems like speed enforcement and aggressive driving in green is taken lightly by this administration as well as our council members. Canvass our citizens and most feel the same as i do.
