Subject: Resolution 2018-R09

Green Leaders,

Thank you for your explanation(s) of the agreement at yesterdays special meeting. I think the summary of the terms, the clarifying questions and comments provided me and other residents with the information that we needed to understand the facts. I support a favorable vote on this resolution at tonight's meeting.

I also applaud the 3 day process that you followed with this resolution. The process enabled you to inform and hear from the residents within the time constraints.

Regards,

Tony
