During the June 20th 2018 Planning and Zoning Commission meeting the board granted me a conditional approval on a subdivision replat of my property located at 52 Kauffmans Creek in the Deer Valley Estates subdivision. The item number on that meeting's agenda was 2018-18-PZC. The first reading of my variance will not appear on City Council's docket until the July 10th meeting which potentially delays the final reading to occur after Council's summer recess. In order to keep our project progressing in a timely manner I would like to formally request a one hearing approval by Council during the July 10th meeting. Thank you for your time and consideration on this matter.

Respectfully,  
Eric Fledderjohann
