Please consider 1st Reading Passage for Resolution 2021-R49, authorizing the Mayor to accept an assignment of the TIF Development Agreement between the City of Green and Vision-Wida, LLC, nka Boulevard at Green, LLC, to a successor. This is a simple transfer of the terms of the original TIF Agreement from the existing owner to the proposed new. All terms of existing remain unchanged. By approving this legislation on 1st reading, they can then arrange closing, in the month of July.

Thank you.
