Hello,

My name is Lisa Lowry, I live in the Pleasant Hills allotment on the corner of Dave Dr. and Karla Dr. and have lived here just short of 12 years. Speeders in our neighborhood, have been an issue for some time. Now that our allotment is freshly paved (Thank you!) the issue is even worse. When I first moved to the neighborhood there were speed limit signs on both streets in my yard. A few years back, the signs were removed. I am asking if you would consider putting the signs back up. We have several young children in this neighborhood and the speeding is definitely an issue. Thank you for your consideration!
