

Petition To Create A Street Lighting District and for The Installation of Lighting Improvements In the Mayfair East, Phases 1, 2 & 3

We, the undersigned owners of real estate in the Mayfair East Subdivision Phases 1, 2 and 3, and members of the Mayfair East Homeowners' Association, Inc. do hereby petition the Council of the City of Green to create a Street Lighting District and for the installation/ replacement of thirty-three (33) new street lights and the related electrical system upgrades as is more fully described in the attached plans developed by First Energy, (the "Project"). (See Exhibit 1). The proposed area of the Street Lighting District is described in the attached plat. (See Exhibit 2). A list of all parcels to be assessed is also attached. (See Exhibit 3).

We further petition and request that the cost of the Project and any interest costs to the City be equally assessed against all the parcels of land within Mayfair East Subdivision Phases 1, 2 & 3 in accordance with the applicable laws of the State of Ohio and the City of Green. Thereafter, we request that the future costs or maintenance and operation of the street lights also be equally assessed against all the parcels of land within the Mayfair East Subdivision Phases 1, 2 & 3.

The **estimated** cost to complete the Project is One Hundred and Five Thousand Dollars (\$105,000.00) plus the interest costs. Unless paid in full when due, the assessment period shall be five (5) years from the initial year of assessment.
