

Public Improvements

Public Improvements:

- a.** Construction, maintenance, and upgrade to the intersection (roundabout) at Greensburg Rd. and Lauby Rd., completed in 2015.
- b.** Improvements and maintenance to Greensburg Rd, Lauby Rd, and Mayfair Rd. inclusive of street lighting, street trees, pedestrian improvements, storm water management, and other necessary infrastructure improvements.
- c.** Improvements and maintenance to the intersections of Greensburg Rd. & Mayfair Rd.
- d.** Construction and maintenance of Lauby Rd. N, from the current Greensburg Rd and Lauby Rd. roundabout north to Wise Rd. including street lighting, street trees, sidewalk, and other necessary infrastructure improvements.

The above examples are what the public improvements may consist of. The City of Green is not limited by that list, nor bound by it.
