Subject: Resolution 2019-40

Resolution 2019-R40 is being assigned to the Finance Committee, it is proposed for 1st reading this Tuesday (5-14-19), this is to award a contract to Cavanaugh Building to reconstruct the Lichtenwalter Schoolhouse. We have requested motions of support (or non-support) from both the Park & Rec Board and Historic Preservation Commission, both these Boards/Commissions voted unanimously in support of the reconstruction. We are not asking for 1st reading passage but would like consideration of 2nd reading passage at City Council's May 28 meeting, if City Council would like to discuss this request at their 5-14-19 meeting, I will be available to answer any questions.
If you would like more information prior to the meeting , please feel free to contact me.
