Please check below the activities that you are willing to help with to support the campaign:

Allow the Campaign to place a yard sign at my organization/home (address listed above)

Provide the Campaign with space to place information about the levy in my next newsletter (print/email)

Place literature about the issue in my employee lounge, waiting room, or business

Forward emails provided by the Campaign to my employees, customers or members

I have or will schedule a house party or speaking engagement that a representative from Citizens can attend to share information about the levy.

Other things I can help with include the following:
