What can we do for you?: My daughter, along with 5 other individual vehicles, hit a pot-hole in the northbound lane of S. Main St. south of Rt. 619 on Feb. 6, 2019. There was extensive damage to her vehicle costing over \$800, which was submitted to insurance and paid.

However, I am writing this email seeking reimbursement for our \$250 deductible. Roads were repaired within hours of the incident. Summit County Sheriff Report # 2019-0188. One of the damaged vehicles was Joseph Sheehan, whom I believe was formerly on the Green City Council and gave me his card in case any verification was needed. Please let me know if there is any recourse for this and if you have any questions. Thank you.
