What can we do for you?: Just a comment that doesn't require a response. Just read about the new company going in on Mayfair and Greensburg. Great for the city, not great for the traffic increase for those of us who live on an already busy Mayfair Road. I now have a factory going in below me and a pipeline going in half a mile above me. My neighborhood is rapidly becoming a not so ideal place to live. I hope we don't have to reconsider our decision to build a home in Green.
