Direct my comments to: City Council

First Name: Louis

Last Name: Blanc

What can we do for you?: The Nexus deal that was signed is disgraceful! How do you sleep at night? My street needs repaved, I still use a septic tank. Use some of that \$7.5 million and pave our street and plumbing! Mr. Shaughnessy was excellent in today's Repository. Good for him. I am seriously thinking of leaving Green. You sold the citizens of Green out.
