GREEN CITY COUNCIL

As you all are aware, I retired from the office of sheriff at 23:59 hours on January 3, 2021. It was my honor to serve the citizens of Summit County, including those within your city.

I wanted to convey my personal thanks for your trust in the people of the sheriff's office. Your support, through your continuing to contract with the Summit County Sheriff's Office as your recognized responding law enforcement agency while I was sheriff made me immensely proud. I sincerely appreciate your confidence in the people within the sheriff's office, whether sworn or civilian, who serve selflessly every day. They work tediously for the safety of your citizens and all citizens of Summit County. The confidence you have placed with us is taken very seriously. I know our personnel will continually strive to provide your city with the highest level of quality law enforcement services they are able.

I also appreciated our working together to provide various solutions to the concerns and questions raised while I was sheriff. You all are exceptional people who have been professional to work with, and I can only hope that I represented my office that way as well. Thank you for this professionalism, as well as your friendship and support, which I cherish.

Again, I wish you and the residents of Green all the best and if I can ever assist you with anything please do not hesitate to contact me.

Thank you for everything, stay safe and healthy, and God bless you all.

Steve Barry
Sheriff, County of Summit (2013-2020)
