

Council,

We just received the attached requested information from Billy Casper Golf this morning.

The Administration is requesting second reading passage of 2019-R16, even though it is not noted on the Council Agenda. Attached is an analysis which compares the cost to the City of leasing new equipment vs. purchasing used equipment for Raintree Golf and Event Center. Valerie and I spoke with Billy Casper Golf earlier last week regarding your concerns and we feel this analysis should answer your questions.

Please let Valerie or I know if you have any additional questions.

Thanks,
Steve
