

Interoffice Memorandum
City of Green
Public Service Department

To: City Council
Cc: Mayor Neugebauer, Steve Schmidt – Fin Dir, Lisa Carey Dean – Law Dir
From: Valerie Wax Carr, Director of Public Service
Date: Oct. 26, 2020
Subject: **2020-R76**

Legislation 2020-R76 is a matter of housekeeping to a previously approved Resolution 2020-R53 on Aug. 15, 2020. Truck #65 was sold through the authorized GOV.deals auction site. Upon transfer of the title it was discovered that the VIN # list in the Council Exhibit was incorrect. However, it was the clear intention of the City to sell Truck #65. The sale did go through with the correct title and correct VIN# 1GCHK24U05E186252, Since the Exhibit was part of the original 2020-R53 it is best that we correct the Exhibit by legislation so that we have no audit issues in the future. We are requesting first reading passage to expedite the correct. Thank you in advance for your understanding.
