Subject: Design Review Board Application
Attachments: SAllen City of Green.pdf

Good Afternoon Kelly,

Please forward my letter of interest and resume (attached) for the Design Review Board to Mayor Neugebauer and Green's City Council.

I am a 23 year resident of Green, an Architect and Interior Designer.

I look forward to being considered for this position.

Feel free to contact me if additional information is requested.

Susan Allen,
AIA, ASID, IIDA, LEED AP BD+C, EDAC
Vice President, Partner

Green, OH 44232

Attention: Mayor Neugenbauer

Regarding: Design Review Board

Dear Mayor Neugenbauer,

I'm writing to express my interest in joining the City of Green's Design review Board. I believe my vast experience with all building types and working on various boards would be beneficial to the City. While much of my experience has been with the Summit County Board of Building Appeals, judging for the Home Builders Association. I currently serve on the City of Green's Historic Preservation Commission and have served twice on their Charter Review Committee. I have been a resident of the City of Green for 23 years and care deeply about our community.

I am a licensed Architect and Interior Designer and received both my Bachelor of Science and Bachelor of Architecture from Kent State University. I am a LEED Accredited Professional, a member of the U.S. Green Building Council, as well as Evidence-Based Design Accreditation and Certification certified. I have a unique background with experience in programming, planning, design, architecture, interior design, and construction administration. I have taken my education, accreditations and vast love for design to become a partner at a local Architectural Firm.

I would like to utilize my professional skills and experience to help my community and be an asset to the City of Green.

Thank you for your consideration.

Susan Allen

Susan Allen, AIA, ASID, IIDA, LEED AP BD+C, EDAC
Vice President, Secretary

Professional Experience:

Ms. Allen is a partner at TC Architects and works as both an architect and interior designer. She brings with her a unique background with experience in programming, planning, design, architecture, interior design, and construction administration. She is a LEED Accredited Professional, a member of the U.S. Green Building Council, as well as Evidence-Based Design Accreditation and Certification certified.

Project Experience:

• **Fairfield Medical Center –Riverview Health & Wellness Center**

Ms. Allen is currently working with Fairfield Medical Center, Health & Wellness Innovations By Akron General, The Boldt Company, and The DesignGroup to create a wellness campus at Fairfield Medical Center's (FMC) Riverview site. FMC's Riverview site currently hosts Outpatient Surgery, Diagnostics and Medical Offices. The addition of a 24/7 Emergency Department, Women's Health Center, Retail Spa, Conference Center, Physical Therapy, and Medical Fitness will elevate the facility to a true outpatient Health Care destination.

• **Mentor Health & Wellness Center**

Ms. Allen is currently working with The Boldt Company and a local health system in Northeastern Ohio on the design of an 85,000 square foot, Health & Wellness Center that will include a 35,000 square foot Medical Fitness area, as well as physician practices. This Center will provide medical access to a currently under served population of the community.

• **Mahwah Properties – Health & Wellness Center**

Ms. Allen is currently working as the Design Architect in conjunction with HDR Inc., The Boldt Company, Akron General Health & Wellness Innovations, and Mahwah Properties, LLC on the design of two Health & Wellness Centers. The Health & Wellness Center located in Mahwah, New Jersey will be approximately 90,000 square feet and will include 35,500 square feet of Medical Fitness space. The Health & Wellness Center located in Wayne, New Jersey will be approximately 130,000 square feet and will include 43,500 square feet of Medical Fitness space.

• **Healthy New Albany**

Ms. Allen was the Design Architect working with The Daimler Group and Moody Nolan, in conjunction with The City of New Albany, The Ohio State University, Nationwide Children's Hospital, and Integrated Wellness Partners on the design of a 25,000 square foot medical fitness center, which is part of the 52,000 square foot medically based facility in New Albany, Ohio.

• **The NEOMED Education and Wellness (NEW) Center**

Ms. Allen was the Principal In Charge and Interior Designer for the 177,000 square foot, three-story facility for Northeast Ohio Medical University and Signet Development. The NEW Center is the nucleus of campus and student life. It brings an unprecedented integration of wellness, healthcare, educational experiences, and community interaction.
