**Subject:** Question

First, let me congratulate you on being elected Ward 3 Councilman and starting your term.

Second, can you provide any explanation of the letter from David Paton, which is an item in the Correspondence to Council. I am unable to understand his objective in sending it to the City of Green.

Finally, when I copied (several ways) your eMail address that is listed on the "Council" web page, kknodel is listed instead of ryeargin. I cc: Molly because she can probably make the correction.

I will miss your first meetings on Tuesday but will watch the videos.

Regards,

Tony
