Subject: City Courts Plan
Date: Wednesday, November 2, 2022 1:29:58 PM

Good Afternoon City Council Members:

I would like to take a moment to express the need for you to vote "YES" on the City Courts Plan. This plan will help provide extra space at Green Middle School, that will definately be needed. The need for an extra gym is very important. As a parent of kids who have played various sports in Green--gym time is very hard to come by. When my children were in second and third grade, they were practicing sometimes until 9:00 pm because those were the only times that were left open for them.

As a coach, I also know that gym space is limited. My dance team currently practices on Sunday nights and at Akron General Lifestyles because of the limited space.

We are going from two gyms (GIS and GMS)--to only one. This will be a major issue for all of the athletic teams to hold practice. Your support on this will benefit everyone in the community!

Thank you for your time.
