What can we do for you?: Hello,

Wondering if there are any plans to open an outdoor pool in green? It would be great to offer that to the many families in Green that currently have to go to neighboring cities to enjoy a pool day.

The splash pad is nice, but once your kid hits 4 they've outgrown it!

Would starting a petition help get this on the radar? I'd be happy to help in any way. Thanks for your time.
