**Subject:** Celebration of Education - HELP

Hello Members of Green City Council!

City Council has historically supported the Green Schools Foundation through participation at the Celebration of Education. It is my understanding that City Council will not have a table and presence at the event this year. Having worked the City Council table over the last four years, I can honestly say that it provides an outstanding opportunity to engage and meet many members of our community.

Since City Council will not have a table at this year's event, I wanted to ask for your help at working the Pancake Breakfast. This would provide a much needed service to Green Schools Foundation while offering an opportunity to still engage the public during the event. We will need help selling tickets, serving food, and even flipping pancakes. Any help would be greatly appreciated!

The Celebration of Education is **Saturday, February 29th** from **9:00 to 2:00**. We will be serving pancakes from 8:00 to 10:30 and could use help with volunteers from 7:00 to 11:00. You would be working alongside some members of the Board of Education, Green Schools Foundation Board, and student volunteers. Volunteer shirts are available, but I would encourage you to wear your snazzy City Council shirts!

Please let me know if you are able to help!
