Subject: RE: Charter Amendments

On behalf of a grateful and proud community, kudos to the Charter Review Committee for your efforts and wisdom to protect Green, and keep us on the right path.

Too many enemies from within our city would prefer to make up rules and run roughshod over our Charter. But the voters rose to the occasion with the exception of 25, which like issue 14 last year they did not understand.

Please enjoy an adult beverage for a job well done!
