

PETITION FORM: Connect Stoney Creek to Kleckner Park

The entrance to our neighborhood sits a mere 500 feet from Kleckner Park, with city owned land between. We would love a city approved connecting path between our neighborhood and this park to allow the children and families of our neighborhood to walk and bike to the ball fields and the proposed future playground. Having a park walkable from our neighborhood is an amenity we value. Connecting our neighborhood to local parks via safe walking and biking paths is something we all value.

Thank you for considering our request.
