V. Public Report

Brent Kuwatch, 5706 Buck Trail, Green, OH-

Mr. Kuwatch gave a detailed explanation on the appraisal of Raintree CC. Explained why there was difference in price values.

Paul Langanek, 4356 Mayfair Rd. Green, OH-

Mr. Langanek explained that he has lived in Green since 1963. He has had many hats in the City. He stated that when he was a trustee the Zoning Board tried to rezone this land to multi-family. The trustees turned it down. He stated that he hopes that Council follows suit and keeps Raintree as green space or a golf course. He supports the purchase of Raintree.

Pat Carleski, 3878 Greenfield Rd., Green, OH-

Opposed to spending this amount of money and the cost of upkeep to keep Raintree a golf course. She would like to see it made into a park so that everyone can enjoy it, instead of keeping it as a golf course or banquet facility.

Gary Barker, 3144 Helston Ave., Green, OH-

Mr. Barker states he would like to read the appraisal that the City has. Feels that he could pick out possible problems or issues. Council is not well versed at reading commercial real estate appraisals. Inappropriate to give out only part of the appraisal.

Dave France, 4574 Treeview Dr., Green, OH-

Mr. France spoke regarding Issue 14-making the Law Director elected. Mr. France is opposed to Issue 14 and does not believe an elected Law Director is the best way to go. He can see no reason why that should change. There's a provision in the Charter that calls for a charter review in 2019. Let the decision be made during that Charter review.

Steve Braswell, 1207 Peachwood Way, Green, OH-

Mr. Braswell doesn't see why they would rush the decision on Raintree. Things could go wrong, and due diligence will help make this decision. Take your time and do it right.

Matthew Kuwatch, 2551 Greenview Dr. Green, OH-

Mr. Kuwatch is in support of the purchase of the Raintree Golf Course. It is likely this land will be sold to a developer if we do not purchase it. There are already large tracts of land that will be developed which will add strain to the schools and city.

Kathy Wise, 2468 Country Club Dr., Green, OH-

Mrs. Wise supports the purchase of the golf course. The density of homes is already too much. The City cannot handle that many additional homes.

John Doan, 2480 Country Club Dr., Green, OH-

Mr. Doan is in support of purchasing the golf course. Can create programs for everyone, seniors, juniors, etc. All residents can get something out of it. Events operations will also create a good option for people to use and generate income.

Attorney Gust Callas, 220 Market Ave. S., Canton, OH-

Attorney Callas is the chief officer for the litigation dealing with the golf course at this time. Mr. Callas states that the rumors flying around are not true and would be happy to answer any questions they may have right now.

Mr. Yeargin asked what assurance Mr. Calous could give that they are receiving is the truth.

Mr. Callas answered that the numbers were not misrepresented and he has implicit trust in the CPA who handled it.

Mr. Kuwatch explained that the City of Twinsburgs revenue is similar to ours and they are successfully running a golf course and banquet center, and have put money into the club house to upgrade it. Believes Mr. Ranieri wants the best for the community
