

January 21, 2021

Mr. President and Members of Council,

On the January 26, 2021 agenda there will be Ordinance 2021-01, which approves the editing and inclusion of certain Ordinances and Resolutions. This updates all of the laws passed in the first half of 2020. This has been delayed due to the extensive Charter Amendments and a new procedure implemented by me requiring the Law Director to review what we receive from American Legal before requesting your approval and before printing. We are now sending the last half of 2020 to American Legal to review. They have already updated the codified laws via online, so Council's prompt approval is necessary. This is the reason why I am requesting that you pass this on first reading. If you have any questions, please call me or your Clerk.

Thank you,

Lisa Carey Dean, Director of Law
