A. Who may file?

Any owner of land use for agricultural production may file an application to have the land placed in an agricultural district.

B. What is land used for agricultural production?

Land is devoted to agricultural production when it is used for commercial, apiculture, animal husbandry, poultry husbandry, the production from commercial purposes of field crops, tobacco, fruits, vegetables, timber, nursery stock, ornamental shrubs and trees, flowers or sod, or any combination of such husbandry or production including, but not limited to, the processing, drying, storage and marketing of agricultural products.

C. What does "tracts, lots, or parcel of land" mean?

Tracts, lots, or parcels mean distinct portions of pieces of land (not necessarily contiguous) where the title is held by one owner, as listed on the tax list and duplicate of the county, is in agricultural production and conforms to the requirements of D1, D2, or D3.

D. Are there any other requirements?

- 1. The land for which the application is made must have been used exclusively for agricultural production or devoted to and qualified for payments or other compensation under a land retirement or conservation program under an agreement with a federal agency for the three consecutive calendar years prior to the year in which application is made. Evidence must be shown on the application. If the land contains timber, which is not being, grown for commercial purposes the land on which the timber is growing must be contiguous to or part of a parcel under common ownership that is otherwise devoted exclusively to agricultural use.
- 2. If the total amount of land for which application is made is less than 10 acres, there is an additional requirement that the applicant submit evidence with his application that the activities conducted on the land have produced an average yearly gross income of at least twenty-five hundred dollars over the three years immediately preceding the year in which application is made or that the land will produce an anticipated gross income of that amount.
- 3. Evidence of annual gross income may be satisfied by attaching to the application form a short statement stating the number of animals by species and anticipated market value, number of acres of crops to be grown, their expected yields and price per bushel or similar specific information.
