Subject: Broken links

Hello,

My name is Emily, I was looking through your suggested links on <https://www.cityofgreen.org/links2> and noticed a few broken links.

Also, if you're open to suggestions and will be updating the page, I think these resources would be a great fit.

1. <https://recordsfinder.com/police/oh/>

2. <https://www.courtrecords.org/tools/courthouses/Ohio/>

I'd be happy if you would consider adding those pages to the list.

Let me know if I can help you with fixing the broken links.

Thanks for your time.

Emily Andrews
