[2021-R25 re Exhibit A](#)

Councilwoman Babbitt read in the legislation and gave a very detailed overview. Mrs. Babbitt did not feel it appropriate to spend this kind of money on a trail before the connectivity study had been presented.

City Engineer, Paul Pickett gave a very detailed overview of the proposed sidewalk/path and the reasoning for moving part of Raber Rd. and how they decided on which side of the road it would be on. He explained the engineering/designing process and how the monies had been allocated. He also explained that they would soon be hitting the stage where they met with property owners and stakeholders to go over the project.

Planning Director, Wayne Wieth explained that this path had been planned for way back in 2014 and was called out in the Long Range Land Use Plan. They had sought the grant for this project back in 2015, well before a connectivity study had ever been discussed.

After further discussion, Councilwoman Babbitt explained that she still felt this was cart before the horse and would not feel comfortable going forward with the project without the new connectivity study.

Time was requested and granted.
