Mayor Yeargin and City Council Members,

On behalf of myself and the Clinton Fire Department, I would like to thank the City of Green Fire and Storm water divisions for their prompt response to our request for aid in technical rescue on the night of May 12, 2025. Without their prompt response and specialized equipment, this rescue could not have been effective. The outcome could not have been more successful, and we have your departments to thank. All communities benefit from a cohesive relationship with our mutual aid departments and we are fortunate to have that.

Yours in Emergency Services,

Wayne Conroy
Clinton Fire Chief
