What can we do for you?: I just want to say, that when the Circle K open in Green on the Corner of S. Arlington Street and Rt 619 it was such a nice store. Clean always hot food, and drinks stocked. When it opened the employees did such a great job, always said hello, never seen them just standing around talking or on there phones. They were neat and clean, no sloppy cloths. With in the last 6 months this place has gone down hill. It may as well be placed on Kenmore blvd, or other Akron area Circle K's. The employees now are just your typical gas station workers who dont care. I truly thought that the city of Green would hold Circle K to a higher standing.
