

The Safe Choice

For Your Community's Electricity and Natural Gas

Non-profit NOPEC promises peace of mind.

We offer your residents and businesses a safe, stable alternative to unpredictable market volatility and predatory for-profit retail suppliers. We also actively advocate at the state and national levels to protect Ohio ratepayers.

- Numerous competitively-priced product choices
- No risk terms and conditions
- Penalty-free movement between NOPEC products
- 24/7 personal customer service
- Serving member communities since 2000

Low rates are just the beginning.

We also give back to our 235+ communities through exclusive member-benefit programs.

- **NOPEC Energized Community (NEC) Grants:**
\$12,000,000 in energy-efficiency grants awarded over the past two years
- **NOPEC Event Sponsorship Program:**
Provided \$300,000 in 2018 and 2019 for community events

- **Low-Interest Commercial & Industrial Loans:**
PACE and STEP Programs for energy improvement
- **Dedicated Community Liaison:**
Get timely information and access to resources
- **Community Outreach Programs:**
Senior programming and educational tools for schools and libraries
- **Do Not Knock Program:**
Turnkey program that prohibits door-to-door solicitation of your enrolled households
- **Energy Advisor Program:**
No-cost analysis of your energy usage and costs
- **NOPEC Preferred Pricing Program:**
At-cost electric and natural gas pricing for publicly owned facilities
- **Mobile Device Charging Stations**

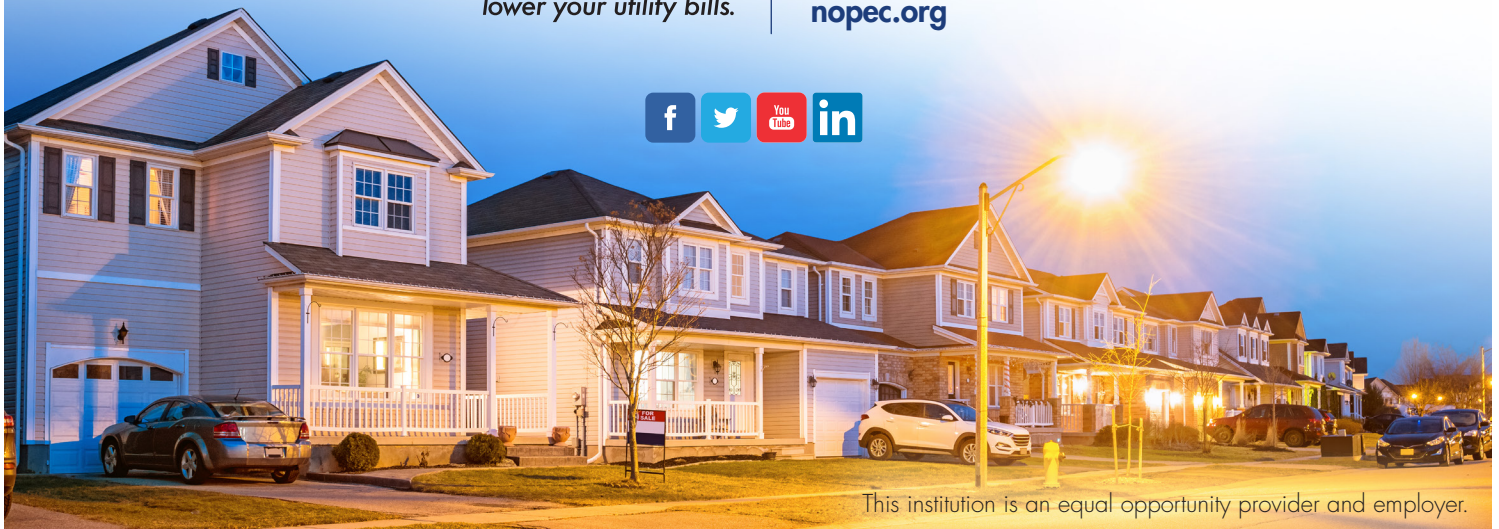

Stay safe. Save money.

As the largest energy aggregator in Ohio, NOPEC buys electricity and natural gas in bulk and passes the savings and benefits on to you. Learn more at nopec.org.
