Councilwoman Babbitt read in the legislation and gave a detailed overview. She explained that the Administration had requested a special meeting and first reading passage on this item due to the timing and need of the project.

City Engineer Paul Pickett gave a detailed explanation of the plans and explained the need for the first reading passage and special meeting. He explained that since the road was already closed for the roundabout, doing this sanitary sewer project now would be in the best interest of the City. He stated that by passing the legislation today, they could get the project started ASAP and the roundabout would still open

on time.

Committee members were in support of passage.

After further discussion, Councilwoman Babbitt made a motion.
