

TAX INCREMENT FINANCE DEVELOPMENT AGREEMENT BETWEEN THE CITY OF GREEN AND BOETTLER FARM LIMITED

This Tax Increment Finance Development Agreement is made and entered into as of this ____ day of _____, 2021, by and between the City of Green, Ohio (“City”), and Boettler Farm Limited (“Owner”), under the following circumstances (capitalized terms are used with the meanings given them in Schedule 1):

Recitals

- A. The City adopted Ordinance No. 2003-12 on September 10, 2003, and Ordinance No. 2004-03 on February 10, 2004, establishing a Tax Increment Financing Program (“TIF Program”), authorizing the City to declare improvements to certain parcels of real property to be a public purpose, and authorizing the Mayor the option to negotiate agreements for tax increment financing.
- B. In order to create and preserve jobs and employment opportunities within the jurisdiction of the City and to improve the economic welfare of the people of the City, City Council adopted the TIF Ordinance on _____, 2021, in accordance with the Act and the TIF Program for the development and financing of the Project within the boundaries of the City.
- C. In order to carry out the public purpose and to comply with the requirements of the Act and the TIF Program, the City desires to enter into this Development Agreement to provide for tax increment financing and the construction of the Public Improvements. The Owner is willing to complete the Development Improvements on the Development Property, to make the Service Payments to the City, and to perform such other actions required by the Owner as described in this Development Agreement.
- D. The City will accept the Public Improvements, which directly benefit and serve the Development Property and the people of the City in general. The City will make semiannual payments to the Developer within thirty (30) days of receipt of the PILOTS to pay for the cost of the Public Improvements.
- E. As part of carrying out the City’s obligations, the City intends to reimburse Owner for the Public Improvements made by Owner, in an amount presently estimated at \$1,500,124.00. The City has determined that it is necessary and in the best interests of the City to provide for the making of Service Payments in lieu of taxes by the Owner with respect to the New Construction, in accordance with the Act, the TIF Program, and the TIF Ordinance, and therefore, the City has declared that One Hundred Percent (100%) of the assessed value of the New Construction is a public purpose and will be exempt from real property taxation for the Exemption Period.
- F. The City has determined that the development of the New Construction by the Developer on the Development Property and fulfillment generally of the terms of this Development Agreement are in the best interests of the City and the health, safety, morals, and welfare of its residents.

- G. The City, by notice delivered to the Board of Education of the Green Local School District (“Green Local School Board”) on October 16, 2003, and to the Board of Education of the Portage Lakes Career Center (“Portage Lakes School Board”) on October 16, 2003, has given notice of the City’s intent to declare New Construction to be a public purpose in accordance with the TIF Program.
- H. The Green Local School Board, on November 17, 2003, passed a resolution waiving the right to approve exemptions from taxation under Section 5709.43, Revised Code, for any improvements declared to be a public purpose and for any Development Agreements entered into under the TIF Program on the condition that a Compensation Agreement be negotiated in accordance with Section 5709.40, Revised Code, and waiving any notice under Section 5709.83, Revised Code.
- I. The Green Local School Board entered into a Compensation Agreement with the City on November 17, 2003. The Compensation Agreement with the Green Local School Board was amended by a First Amendment to the Compensation Agreement effective the 1st day of January 2006 and again on May 25, 2017, by a Second Amendment. As a result of the Second Amendment, the Green Local School District is required to receive a fourteen (14) day statutory notice under Ohio Revised Code Section 5709.83, as is more fully described in Section 2.1 of the Second Amendment.
- J. The Portage Lakes School Board on October 16, 2003, passed a resolution waiving any notice under Section 5709.83, Revised Code.

The parties agree as follows:

[The Remainder of this Page Intentionally Left Blank]

The City

Section 1.1 Representations. The City makes the following representations:

- (a) It is a political subdivision, duly organized, and validly existing under the laws of Ohio and its Charter.
- (b) It has performed all acts required of it as a condition to signing and delivering this Development Agreement.
- (c) It is not in violation of any laws of Ohio or its Charter, to an extent that would impair its ability to carry out its obligations under this Development Agreement.
- (d) It has the power to enter into and perform its obligations under this Development Agreement.
- (e) Its City Council has duly authorized the signing, delivery, and performance of this Development Agreement.

ARTICLE 2

The Owner

Section 2.1 Owner Representations. The Owner makes the following representations:

- (a) It is a limited liability company duly organized, validly existing, and in good standing under the laws of the State of Ohio.
- (b) It has performed all acts required of it as a condition to signing and delivering this Development Agreement.
- (c) It is not in violation of any laws of Ohio to an extent that would impair its ability to carry out its obligations under this Development Agreement.
- (d) It has the power to enter into and perform its obligations under this Development Agreement.
- (e) Its managing member duly authorized the signing, delivery, and performance of this Development Agreement.

Section 2.2 Acquisition of Development Property. As of the date of this Development Agreement, the Owner has acquired fee title to all of the Development Property, which is located on parcel(s) 28-16174 within the boundaries of the City and has paid all costs associated with this acquisition of title. The legal description of the property is attached as Exhibit “B”. This Development Agreement will be a covenant running with the land, regardless of lots splits or transfers, during the Exemption Period.

Section 2.3 Agreement to Make Service Payments. The Owner agrees for itself, and its successors in interest to the Development Property, or any part or interest in the Development Property, to make Service Payments to the City as described in Section 3.2 during the Exemption Period.

Section 2.4 Restrictions on Use. The Owner agrees for itself, and its successors and assigns, and every successor in interest to the Development Property or any part thereof, that until the end of the term of the Exemption Period, the Owner and any successors and assigns must use, develop and redevelop the Development Property in accordance with this Development Agreement, and further agrees for itself and its successors and assigns, that this covenant will be a covenant running with the land and will be included in any future deed by the Owner conveying the Development Property or any part thereof and will be binding for the benefit and in favor of and enforceable by the City, against the Owner, its successors and assigns. These covenants will be binding on the Owner and on each successor in interest to the Development Property, and every part thereof, for the period as the Owner or its successor has title to or an interest in the Development Property or any part thereof during the Exemption Period. The Owner will take all actions, within its power, necessary to ensure that this covenant will have priority over any interest in the Development Property except for the Permitted Encumbrances. The Owner will cause this Development

Agreement to be recorded in the real estate records of the Fiscal Officer of Summit County, Ohio (“County”).

Section 2.5 Site Plan Approvals. By the entering into and executing of this Development Agreement, the Owner acknowledges that the City in no way waives or implies the approval of a site plan for the Development Property or requires the City to render an approval of any site plan submitted for the Development Property. The Owner agrees to follow the usual and customary process of site plan approval per the City’s Land Development Code, including compliance with the zoning of the Development Property at the time of the construction of the Development Improvements.

Section 2.6 No Request for reduction in valuation of the Development Property. Neither the Owner for itself, nor its successors and assigns and every successor in interest to the Development Property or any part thereof, during the Exemption Period, shall seek a reduction in the County Fiscal Officer’s appraised value of the Development Property. Furthermore, the Owner agrees that the Service Payment obligations set forth herein shall continue notwithstanding that a subsequent Owner of the Development Property or the use of the Development Property may be by a non-profit entity exempt from the payment of real estate taxes.

Exemption from Real Property Taxation

Section 3.1 Exemption of New Construction. The City hereby declares that the increase in assessed valuation of the Development Improvements by reason of all New Construction is a public purpose and determines that One Hundred Percent (100%) of the assessed valuation of the New Construction is exempt from real property taxation by all political subdivisions and taxing districts. The exemption will commence separately for each portion of the New Construction, as of the first tax year that each and any portion of the value of the New Construction appears on the tax list and duplicate, or would appear on the tax list and duplicate, but for the exemption, and will extend for the Exemption Period.

Section 3.2 Service Payments. The Owner and any successor in interest of the land within the Development Property must make Service Payments to the City as follows:

- (a) During the Exemption Period, in accordance with the Act, the TIF Program, and the TIF Ordinance, as amended and supplemented, the Owner, for itself and any successors in interest to the Development Property, or any part thereof or interest therein, covenants and agrees to make (or cause to be made) semiannual Service Payments in lieu of real property taxes with respect to the New Construction pursuant to and in accordance with the requirements of the Act, the TIF Program, and this Development Agreement. The obligation to make Service Payments will run with the land. The Service Payments must be made semiannually to the County, or to the designated agent of the County for collection of the Service Payments, on or before the date on which real property taxes would otherwise be due and payable for the New Construction. Any late Service Payments must include interest and penalties at the same rate and in the same amount and payable at the same time as delinquent real property taxes. Each semiannual Service Payment must be in an amount equal to the real property taxes that would have been charged and payable against the exempted portion of the New Construction, as if an exemption from real property taxation had not been granted, plus all interest and penalties thereon for nonpayment and must otherwise be in accordance with the requirements of the Act.
- (b) It is intended and agreed, and it must be provided in any future deed conveying the Development Property, or any portion thereof, to any person that the covenants provided in Section 3.2(a) will be covenants running with the land and that they will, in any event and without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit and in favor of and enforceable by the City, whether or not this Development Agreement remains in effect, and whether or not this provision is included in any succeeding deed of the Development Property, or any portion thereof. It is further intended and agreed that these agreements and covenants will remain in effect for the full Exemption Period permitted in accordance with the requirements of the Act, the TIF Program, the TIF Ordinance, and this Development Agreement. The covenants running with the land will have priority over any other lien or encumbrance on the Development Property and the New Construction other than the Permitted Encumbrances. The parties agree to execute and record any and all instruments of

record in Summit County, Ohio, including this Development, as may be necessary to preserve and protect such covenants running with the land.

- (c) The Owner must prepare and file, or cause to be prepared and filed in cooperation with the City, any necessary applications and supporting documents to obtain the exemption from real property taxation for the New Construction to enable the City to collect Service Payments and to disburse these payments to or for the account of the City. The City will cooperate with the Owner in connection with the preparation and filing of any required exemption applications.
- (d) The Owner may sell, lease, or otherwise convey any portion of the Development Property. If the transfer provides that the transferee assumes the obligations under this Development Agreement to make Service Payments with respect to the New Construction on the portion of the Development Property transferred, the Owner will be released from its obligations under this Development Agreement to make those Service Payments with respect to that New Construction.

The agreement to make Service Payments under this Development Agreement is a covenant running with the land. Subject to the foregoing, the obligations of the Owner to make the Service Payments will be absolute and unconditional, and will not be terminated for any cause, and the Owner agrees that there will be no right to suspend or set off the Service Payments for any cause, including without limitation, its failure to complete the Development Improvements, any acts or circumstances that may constitute failure of consideration,

- (e) The Owner represents to the City, and the City acknowledges that upon completion of the Project, the expected appraised value for the New Construction will be approximately \$_____. The parties acknowledge that this is an estimate and that the failure to achieve this level of New Construction will not constitute a failure of either party to perform under this Development Agreement. The City will not unreasonably withhold, delay, or condition the permits that the City issues or approves.

Section 3.3 Transfer of Service Payments by City to Boettler Farm Limited. As consideration for Owner's agreement to acquire, construct, and install the Public Improvements in Exhibit D, City agrees to collect the Service Payments made by Developer; subtract the amount of funds subject to the Compensation Agreement with the Green Local Schools (Exhibit F) and any collection fees paid to Summit County; then pay 50% of the balance to the Owner per the terms of this Section and Section 3.4. Once Owner has been reimbursed for the cost of the Public Improvements listed in Exhibit D or the reimbursement period has expired, the City may retain any and all future Service Payments during the remainder of the Exemption Period and apply those Service Payments towards any additional Public Improvements benefitting the Development Property including those identified in Exhibit E. Transfer of Service Payments pursuant to this Section 3.3 to Owner shall be made notwithstanding any future transfer of all or a portion of the Development Property by Developer to any other party.

Section 3.4 Reimbursement Period. The City shall reimburse Owner for improvements as outlined in Exhibit D for a period of twelve (12) years or until all expenses are reimbursed, whichever comes first. The twelve-year reimbursement period shall begin when Development Improvements outlined in Exhibit C on parcel number 28-16174 are first taxable and are able to be included in the TIF Program. After such time, service payments will remain with the City and be used to make public improvements that will benefit the development including, but not limited to improvements to Boettler Road, South Arlington Road and Brier Creek Parkway, as identified in Exhibit E.

Event of Default

Section 4.1 Event of Default. It will be an Event of Default by the City or the Owner, as applicable, under this Development Agreement if:

- (a) The Owner fails to observe or perform any of the material covenants and obligations of the Owner under this Development Agreement, and the failure continues for a period of thirty (30) days after receipt of written notice is provided, for default other than failure to pay Service Payments, and for a period of thirty (30) days, without any required written or other notice, for failure to pay Service Payments.
- (b) The City fails to observe or perform any of the material covenants and obligations of the City under this Development Agreement, and the failure continues for a period of thirty (30) days after receipt of written notice.

Section 4.2 Remedies in Event of Default. During the continuance of an Event of Default, the City or the Owner will have available as a remedy all rights granted under law or equity. Pursuit of any of the remedies will not preclude pursuit of any other remedies provided in this Development Agreement, or by law or equity. Pursuit of any remedy by either party will not constitute a forfeiture or waiver of any damages accruing to a party by reason of the violation of any of the other party's obligations under this Development Agreement. Forbearance by a party to enforce one or more of the remedies provided upon the occurrence of an Event of Default will not be construed to constitute a waiver of the default.

Miscellaneous

Section 5.1 Term of Agreement. This Development Agreement will be effective as of its date and will continue in full force and effect for the Exemption Period as set forth in this Development Agreement.

Section 5.2 Progress Reports.

- (a) Until completion of all the Development Improvements, the Owner must make quarterly reports, in such detail as may reasonably be requested by the City, as to the actual progress of the Owner with respect to construction of the Development Improvements.
- (b) To the extent required under the Act and any other Applicable Laws, the Owner must supply or cause to be supplied to the City from time to time such information as the City may reasonably request in connection with the preparation of reports required by the State of Ohio, the County, or any other public agency under the Act and any other Applicable Laws. The City shall timely submit to the State of Ohio, the County, or any other public agency, under the Act and any other Applicable Law, any reports or information required to be submitted by the City in connection with the Project, the Development Property, Development Improvements or this Development Agreement.

Section 5.3 Discrimination Prohibited. The Owner must not, in the use and redevelopment, the sale or other transfer of the Development Property, discriminate against any person or group of persons based upon race, creed, sex, sexual orientation, religion, color, age, national origin, or ancestry, and must bind its successors by appropriate agreements and covenants running with the land enforceable by the City.

Section 5.4 Force Majeure. If the Owner is delayed or hindered in, or prevented from, the performance of any covenant or obligation of the Owner with respect to performance of the New Construction as a result of strikes, lockouts, shortages of labor, fuel or materials, acts of God, causes associated with unusual weather conditions, enemy acts, fire or other casualty, or other cause beyond the reasonable control of the Owner (including failure to obtain necessary governmental approvals after the Owner's good faith efforts to obtain them), then the performance of the covenant or obligation will be excused for the period of the delay, hindrance, or prevention and the period for the performance of the covenant or obligation will be extended by the number of days equivalent to the number of days of the delay, hindrance, or prevention.

The Owner's right to this extension will only be permitted if the Owner provides written notice of the delay within thirty (30) days of the date the Owner obtains knowledge of the delay. In no event will any delay or hindrance in or prevention from the performance of any covenant or obligation described in this Section 5.4 constitute a termination of this Development Agreement.

Section 5.5 Amendments and Waivers. This Development Agreement will not be amended, supplemented, or modified except by an instrument in writing, signed by the City and the Owner.

Section 5.6 Entire Agreement. This Development Agreement sets forth the entire agreement between the parties as to its subject matter, and merges and supersedes all previous discussions, agreements, and undertakings between the parties with respect to the subject matter of this Development Agreement. In addition, the Green Local School District shall be an intended third-party beneficiary of this Development Agreement and may specifically enforce the obligations of the Owner herein for payment due the Green Local School District under its Compensation Agreement with the City, a copy of which is attached hereto and incorporated herein as Exhibit “E”.

Section 5.7 Counterparts. This Development Agreement may be signed in any number of counterparts, each of which constitute an original, but all of which constitute one agreement. Any party to this Development Agreement may sign this Development Agreement by signing any counterpart. Additionally, the parties agree that for purposes of facilitating the signing of this Development Agreement: (1) the signature pages taken from the separate, individually executed counterparts of this Development Agreement may be combined to form multiple fully signed counterparts; and (2) a facsimile transmission or .pdf file transmitted via electronic mail will be deemed to be an original signature for all purposes.

All executed counterparts of this Development Agreement will be deemed to be originals, but all counterparts taken together or collectively, as the case may be, will constitute one and the same agreement.

Section 5.8 Notice. All notices, communications, requests, and demands between the parties required or permitted to be given under this Development Agreement to be effective must be in writing (including without limitation by facsimile transmission or electronic mail), and unless otherwise expressly provided will be deemed to have been sufficiently given or made when physically delivered or mailed by U. S. registered or certified mail, or in the case of notice by facsimile transmission or electronic mail when received and telephonically confirmed, addressed as follows, or to any address as may be notified in writing by the parties:

Section 5.9 Successors and Assigns. This Development Agreement will be binding upon, and inure to the benefit of the City, the Owner and their respective successors and assigns. The Owner may not assign this Development Agreement or any of its rights or obligations in whole or in part, to any person without the prior written consent of the City, which consent must not be unreasonably withheld.

Section 5.10 Governing Law. This Development Agreement, and the rights and obligations of the parties under this Development Agreement, will be governed by, construed, and interpreted in accordance with the law of the State of Ohio without regard to conflict of laws principles.

Section 5.11 Severability. Any provision of this Development Agreement that is prohibited or unenforceable in any jurisdiction will, as to the jurisdiction, be ineffective to the extent of the prohibition or unenforceability without invalidating the remaining provisions, and any such prohibition or unenforceability in any jurisdiction will not invalidate or render unenforceable the provision in any other jurisdiction.

Section 5.12 Headings and Table of Contents. The headings and table of contents contained in this Development Agreement are for convenience of reference only and will not limit or otherwise affect the meaning.
